Respondents indicating too little is spent on selected problems in this country

United States, selected years 1973-2002

Question: "We are faced with many problems in this country, none of which can be solved easily or inexpensively. I'm going to name some of the problems, and for each one I'd like you to tell me whether you think we're spending too much money on it, too little money, or about the right amount. First (problem) are we spending too much, too little, or about the right amount on (problem)?"

(Percent responding "too little")
