Note: These data are from the Federal Bureau of Investigation's (FBI) Uniform Crime Reporting (UCR) Program. Federal, State, city, university and college, county, and tribal law enforcement agencies participating in the UCR Program submit data on any sworn officer killed feloniously or accidentally in the line of duty within their jurisdictions. FBI field divisions and legal attaché offices also report such incidents occurring in the United States and its territories, as well as those in which a United States law enforcement officer dies while assigned to duties in another country (Source: **2011**. Available: <http://www.fbi.gov/about-us/cjis/ucr/leoka/2011/officers-feloniously-killed/methodology-law-enforcement-officers-killed>). Some data have been revised by the Source and may differ from previous editions of SOURCEBOOK.

^aPercents may not add to 100 because of rounding.

^bDoes not include the 14 known assailants involved in the events of Sept. 11, 2001.
