Note: See Note, [table 4.33.2003](#). This table displays data by the arresting Federal agency. The arresting agency may be different from the Federal agency that initiated the investigation involving the arrestee.

Arrests by the U.S. Department of Homeland Security (DHS) are not shown in this table. The Homeland Security Act of 2002 that established DHS and reorganized several Federal agencies took effect in March 2003, in the middle of the fiscal year, and agency data systems did not fully capture DHS arrests during this transitional period. The Immigration and Naturalization Service, U.S. Customs Service, and U.S. Secret Service were moved to DHS. The Bureau of Alcohol, Tobacco and Firearms was moved to the Department of Justice. These changes will be reflected in the fiscal year 2004 data. For methodology and definitions of terms, see [Appendix 1 1](#).

<sup>a</sup>Includes 1,228 suspects for whom an offense category could not be determined.

<sup>b</sup>To secure and safeguard a material witness.
