Note: See Note, [table 4.1.2003](#). This table presents data from all law enforcement agencies submitting complete reports for 12 months in 2003 (Source, p. 496). Complete data were not available for the District of Columbia, Florida, Illinois, Kentucky, and South Carolina. Data displayed for these jurisdictions are for a limited number of agencies. Complete arrest data were not received from Nevada law enforcement agencies by the publication deadline. Nevada was therefore omitted by the Source. Population figures are estimates calculated from U.S. Census Bureau data. Direct comparisons of arrest totals listed in this table should not be made with prior years because law enforcement agency participation may vary (Source, p. 334). For definitions of offenses, see [Appendix 3](#).

^aDoes not include traffic arrests. For a list of included offenses, see [table 4.1](#).
^bIncludes arrests reported by the Zoological Police and the Metro Transit Police only; these agencies have no population associated with them.
^cLimited number of agencies reporting for 2003.
^dComplete 12-month arrest figures for New York City and the Louisville (KY) Metro Police Department were not available for 2003.
