Note: See Note, [table 4.1.2004](#). This table presents data from all law enforcement agencies submitting complete reports for 12 months in 2004 (Source, p. 504). Complete data were not available for the District of Columbia, Florida, Illinois, Kentucky, New York, and South Carolina. Data displayed for these jurisdictions are for a limited number of agencies. Because of changes in reporting practices, arrest data for Montana are not available for 2004 (Source, p. 490). Population figures are estimates calculated from U.S. Census Bureau data. Direct comparisons of arrest totals listed in this table should not be made with prior years because law enforcement agency participation may vary (Source, p. 344). For definitions of offenses, see [Appendix 3](#).

^aDoes not include traffic arrests. For a list of included offenses, see table 4.1.

^bNot comparable to previous years' data.

^cIncludes arrests reported by the Metro Transit Police only; this agency has no population associated with it.

^dLimited number of agencies reporting for 2004.

^eComplete 12-month arrest figures for New York City were not available for 2004.
