Note: See Note, table 4.1.2006. This table presents data from all law enforcement agencies submitting complete reports for 12 months in 2006 (Source, Table 69). Population figures are estimates calculated from U.S. Census Bureau data. Direct comparisons of arrest totals listed in this table should not be made with prior years because law enforcement agency participation may vary (Source, Table 69). For definitions of offenses, see Appendix 3.

<sup>a</sup>Does not include traffic arrests. For a list of included offenses, see table 4.1.2006.

<sup>b</sup>Not comparable to previous years' data.

<sup>c</sup>Includes arrests reported by the Metro Transit Police only; this agency has no population associated with it.

<sup>d</sup>Includes arrests reported by the Chicago and Rockford Police Departments only.

<sup>e</sup>Forcible rape figures furnished by the State-level Uniform Crime Reporting (UCR) program administered by the Minnesota Department of Public Safety were not in accordance with national UCR guidelines. Therefore, the figures were excluded from the forcible rape and violent crime total categories.

<sup>f</sup>No arrest data for 2006 were received from the New York City Police Department.
