Note: These data were compiled by the Federal Bureau of Investigation through the Uniform Crime Reporting (UCR) Program. On a monthly basis, law enforcement agencies report the number of offenses that become known to them in the following crime categories: murder and nonnegligent manslaughter, forcible rape, robbery, aggravated assault, burglary, larceny-theft, motor vehicle theft, and arson. Arrest statistics are compiled as part of this monthly data collection effort. Participating law enforcement agencies are instructed to count one arrest each time a person is taken into custody, notified, or cited for criminal infractions other than traffic violations. Annual arrest figures do not measure the number of individuals taken into custody because one person may be arrested several times during the year for the same type of offense or for different offenses. A juvenile is counted as a person arrested when he/she commits an act that would be a criminal offense if committed by an adult. "Curfew and loitering" are tabulated only for juveniles. Beginning in 2010, the UCR program no longer publishes data for runaways. Violations of local juvenile acts other than curfew and loitering law violations are included in the "all other offenses" classification (U.S. Department of Justice, Federal Bureau of Investigation, *Uniform Crime Reporting Handbook, 2004*, pp. 78-81 [Online]. Available: http://www.fbi.gov/about-us/cjis/ucr/additional-ucr-publications/ucr_handbook.pdf).

This table presents data from all law enforcement agencies submitting complete reports for 12 months in 2010 and 2011 (Source, Table 37, Data Declaration). Population figures are estimates calculated from U.S. Census Bureau data. For definitions of offenses, see [Appendix 3](#).

^aDoes not include suspicion.

^bViolent crimes are offenses of murder and nonnegligent manslaughter, forcible rape, robbery, and aggravated assault.

^cProperty crimes are offenses of burglary, larceny-theft, motor vehicle theft, and arson.
