Price is per attendee

This is the only MDS training approved by the NYS Department of Health

Who Should Attend

This training is designed for long-term care professionals working with MDS 3.0 as well as facility administrators.

Participation by all members of the interdisciplinary team is strongly recommended for a comprehensive understanding of how to best use the MDS.

Registration is limited and expected to fill quickly.

Register online at www.mds-ny.org

These webinars are interactive. You need access to a computer with speakers. Attendees should be at the computer ready to participate. See our website for CE information.
