AUTHORIZE FINANCIAL AID TO PAY OTHER CHARGES

WHY DO WE NEED YOUR AUTHORIZATION?

Federal regulations prohibit the use of Federal Title IV Financial Aid to pay certain charges without your authorization. To authorize use of your Financial Aid to pay charges not automatically covered by your aid, if incurred, you must let us know. If you select not to authorize the University at Albany to use your aid to cover these charges, you will be required to pay these expenses out of pocket.

WILL I BE CHARGED EXTRA IF I SAY YES?

Authorizing your Financial Aid to pay other charges will not affect how charges are calculated or applied.

WHAT TYPE OF CHARGES ARE WE TALKING ABOUT?
