

Parent Authorization to Use Financial Aid to Pay Other Charges

Federal regulations permit schools to automatically apply a parent’s Federal Title IV financial aid funds (Plus Loans) to tuition, fee, room, and board charges.

In addition, with the parent's authorization the PLUS Parent Loan may be applied to a student's other costs-of-attendance charges that are billed by the University, such as charges for lost room keys, damage charges, health center and optional charges, etc.

Please provide your permission below if you choose to allow your Parent Plus Loan Funds (Title IV funds) to be used to pay other charges. Your decision will remain on file in the Office of Student Accounts and you may change it at any time by notifying us in writing.
