Submit by September 30, 2017

DESCRIPTION

The AIS Special Interest Group on Information Security and Privacy (SIGSEC) is pleased to announce its eighth annual Workshop on Information Security and Privacy (WISP) to be held pre-ICIS on December 9, 2017 in Seoul, Korea. This workshop is intended to be a forum for scholars, practitioners, and doctoral students interested in information security and privacy to exchange ideas and encourage collaboration among the members of the SIGSEC community and others. We invite individuals to submit research articles, case studies, position papers, research-in-progress, and panel discussion proposals that address all interesting aspects of information security, assurance and privacy, including but not limited to:

- Socio-technical analysis of information security/privacy
- Cultural issues in information security and privacy
- Information Technology risk analysis and management
- Economics of information security and privacy
- Strategies for decreasing risky habits and behaviors
- Analysis of system vulnerabilities and risk exposure
- Analysis of security vulnerabilities and breaches
- Security and privacy policy compliance
- Behavioral issues in information security
- Security and privacy metrics
- Digital Forensics and Security Analytics
- Electronic espionage and technological crime systems
- Information security/privacy in e-government
- Information security/privacy issues on social networks
- Legal, societal, and ethical issues in high tech. crime
- Cybersecurity education and skill development
- Information security and privacy issues in e-learning
- Detecting and mitigating insider threats
- Cybersecurity and diplomacy
- Cybersecurity Incident Response

All submitted papers undergo a double-blind peer-review process. Please submit your papers using our conference submission system located at <https://easychair.org/cfp/WISP2017>. All submission should use Microsoft Word format only, with no author names or other identification in the manuscript file, including document properties, and tracked changes (blind the submission, please). Please use MISQ style for your paper and references (See <http://www.misq.org/manuscript-guidelines/>). Completed research and case study papers should be limited to 15 pages. Research-in-progress papers should be limited to eight pages. Panel proposals should be limited to three pages. All manuscripts should be formatted to double-spaced, left-justified with 12-point Times New Roman font. Questions about submissions should be emailed to michael.curry@wsu.edu with WISP2017 in the subject line.
