GROUNDHOG DAY

PROFESSOR HILDEBRAD

THE 2022 HOLIDAY PUZZLE

Each year, I've been putting out a holiday puzzle and announcing the solution on Groundhog Day. This talk will describe the puzzle whose solution is being announced on the day of this talk. Any attendant that has worked on the problem and wants to present their solution will be invited to do so.

To view the puzzle, go to: <https://www.albany.edu/~martinhi/hpuz22.pdf>
